**Bob Przybylo** – (representing TowerCo and Verizon) No lights, maintenance checks will happen about 2 – 4 times a month and it will be monitored 24 hours.

**Commissioner Peck** – There were 6 concerns that needed to be met and 4 have been so far.

**Jason Ball** – (Rowe) Yes, there are 2 that still need to be met. I would make sure the parcel is split to avoid any future setbacks issues. And the fencing issue is taken care of as well.

**Commissioner Peivandi** – Has there been any data on frequency and related problems?

**Jason Ball** – (Rowe) Unable to turn down tower just because you don't want it. There would need to be a legitimate reason that would be involving property or not meeting all State and Township ordinances.
