At one time, there was an old privacy fence sixteen (16’) feet on the North side of the existing house but due to the old posts still being in the ground, Ms. Murray would like to extend the proposed privacy fence an additional four (4) feet to avoid the old fence posts on the property line.

- The fence will start at the West side of the existing house and extend North twenty (20’) feet then extend West to the back of the existing property line.
- The fence will be a decorative type cyclone fence.

VI. **PUBLIC COMMENTS:**
7:38 P.M. – OPEN FOR PUBLIC COMMENTS

1. **Mr. Voorheis of Voorheis Signs in Montrose, MI** was present to ask questions regarding changing the existing electronic sign at the First Baptist Church, Flushing MI.

   a. The existing sign has a changeable message and measures five (5’) foot by eleven feet eight inches (5’ x 11’8’’); the proposed sign will be five (5’) foot from the top to the bottom of the sign and ninety (90”) inches long (5’ x 7’6”). The outside of the sign will stay the same; the inside message will be smaller and will be controlled from within the church. The letters of the message will be red in color but will darken down at night. The message will change every six (6) seconds.

   b. Mr. Voorheis stated the software for the existing electronic sign is outdated and the Church can’t get new software; if the purchase of the new sign is not approved by the end of the year, there will be a $4,500 increase in the purchase price – everything is time sensitive.

   c. The Church property is in an RSA Zoning District. There won’t be any construction, only changing of the frame.

   d. The new proposed sign would be an improvement to First Baptist Church.

   e. Any change in a Site Plan has to be approved for a Special Use Permit by the Planning Commission. If the sign is within the ordinance, Mr. Voorheis can go ahead and construct the sign.

   f. The Building Inspector can approve a non-discretionary special use.
g. When a Special Use Permit is requested, the issue has to be placed on the Agenda and come before the Planning Commission.
