IV. DESCRIPTION OF WORK							
V. PLAN REVIEW INFORMATION							
Plans must be submitted with your application and the required fee paid before a permit can be issued, except as listed below.							
Plans are not required for the following:							
1. One-and-two family dwelling containing not more than 3,500 square feet of building area							
2. Alterations and repair work determined by the plumbing official to be of a minor nature.							
3. Buildings with a required plumbing fixture count less than 12.							
4. Work completed by a governmental subdivision or state agency costing less than \$15,000							
If work being performed is described above, check box below "Plans Not Required"							
Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.							
Township of Flushing Plan Review Approved _____				Plans Not Required: _____			
VI. NOTICE TO APPLICANT							
Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523a, prohibits a person from conspiring to circumvent the licensing requirements of this state to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.							
VII. HOMEOWNER AFFIDAVIT							
I hereby certify the plumbing work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Plumbing Code and shall not be enclosed, covered up, or put in operation until it has been inspected and approved by the Flushing Township Plumbing Inspector. I will cooperate with the Flushing Township Plumbing Inspector and assume the responsibility to arrange for necessary inspections.							
SIGNATURE OF PLUMBING CONTRACTOR, MASTER PLUMBER, WATER TREATMENT INSTALLER OR HOMEOWNER (Homeowner's signature indicates compliance with Section VI. Homeowner Affidavit)						DATE

X. FURTHER INSTRUCTIONS FOR COMPLETING APPLICATION							
<p>General: Plumbing work shall not be started until the application for permit has been filed with Flushing Township. All installations shall be in conformance with the Michigan Plumbing Code. No work shall be concealed until it has been inspected. The telephone number for the inspection is provided on the permit form. When ready for an inspection, call the Township Offices, providing no more than 7 days' notice. Please have the permit number and address when calling the offices, you must speak with a building assistant to schedule an inspection, voicemails will not guarantee scheduling.</p>							
<p>Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be closed when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Closed permits cannot be refunded. A fee may be charged to re-open a closed permit.</p>							

Please email this form and the required documents to building@flushingtwp.org, or mail to our office at 6524 N Seymour Rd, Flushing, MI 48433. We will contact you once your submission has been received.
